

ENTHUSIAST OF THE MONTH

This time the honour goes to none other than our very own president Stefan Nicholson, for not only making sure that the 3rd Rally was a success, a couple of days after he drove off into the sunset to attend two Rallies in the UK with his Morgan (& Judy).

The President Speaks

The day of the Rally finally
arrived and I am pleased to
say that everything ran
smoothly.

After recent unsettled weather
we were blessed with a perfect
day, calm and clear with
plenty of sunshine. It could
not have been better.

After working for over two
months with the organisation
the two weeks leading up to
the rally had been very hectic
and the two days before were
completely mad with not
enough hours to

do everything.

I would like to thank all
the members of the
committee and the
volunteers who have been
co-opted into the
committee to help
organise this event.

We owe a special thanks
to David Risso who has
spent many hours
communicating through
the internet, email and
telephone. David was also
responsible for much of
the work going into the
programme, poster and
rally plaques. To add to
this I had been asking him
to type up letters

almost everyday.
 Thank you to our members who have supported this rally and have helped beforehand and on the day. It was a pleasure to see casemates gradually transformed from an empty square as equipment was setup and cars began to arrive. Everyone carried out the tasks which they had volunteered to do and the day ran like a finely tuned engine. Thanks to Chris Lavers and the Marshals who now know that you can get a pint into what looks like a half-pint pot. Thanks to the security for looking after the cars and policing the event, to everyone including the ladies who helped selling regalia, raffle tickets and programmes, for the setting up of the refreshments at Camp Bay. Thank you everyone for making this an event which we can be proud of. The Police were excellent and went beyond their call of duty.

By the time you read this I will probably be in England as I am leaving on Thursday 27th May and driving the Morgan to two rallies in England.

I look forward to returning to the warmer weather and attending our summer outings.

Happy Motoring!

Stefan Nicholson

 We still have a number of Rally programmes left over. If you want a few copies just get in touch with any committee member.

GIBRALTAR REPRESENTED AT THE MILLE MIGLIA

16th May 2004

Recently signed up member Peter Seeholzer had a good excuse for not being able to make it to our rally: He was taking part in the Mille Miglia 2004 in his Aston Martin Le Mans:

Hallo,

As I mentioned to you, I have participated with my son at this years Mille Miglia. We were very successful.

We finished as 154 from 375 participants, and as the "best" from Gibraltar we even have received a trophy! Please find attached a picture from the start.

Kind regards

Peter Seeholzer

3rd GIBRALTAR INTERNATIONAL CLASSIC VEHICLE RALLY

22nd May 2004

A very respectable 85+ vehicles attended the 3rd Rally, some from as far away as Germany (1930 Ford A) and Dublin (1914 Ford Model T). The star of the show was no doubt Leonard Bone's 90 year old Ford Model T. Some never seen before local entries made local flavour dominate, J.Bassadone's EType and Louis Facio's Citroën DSpecial to name just a couple.

After the ride up Mainstreet at 13:30pm, a very welcoming stop was made at Camp Bay for refreshments. Then it was off for the run around the Gib eventually to park at the Naval Ground where the magnificent buffet lunch was offered at the Catholic Community Centre.

Considering the rain that was falling in the rest of Spain and on the Royal wedding, we were very lucky indeed to get a scorchingly hot day indeed some divine intervention must have been made.

ELIO COHEN'S – HILLMAN SUPER MINX UPDATE

Elio has indeed been a busy man. Many of you might remember when he brought the Hilman Super minx to Safeway's one Sunday in May of 2002 on the back of a trailer. Since then he got the engine running and has completed work on the bodywork. This will be going to the painters very soon and then reassembly of the car can take place along with sourcing all those final little pieces of the 'puzzle' like sets of brake seals etc... If anyone can help please contact us. **Ed.**

All preparatory work on the body is almost complete

DONATION BY HORACIO DANINO A RENAULT 4 VAN

Thanks to member Horacio Danino for donating to the Gibraltar
Classic Vehicle Association, its first official club vehicle – a Renault
4 Van. There are great plans for this van so before we get our hands
on it we would like to hear from anyone who wishes to help out to
bring this modern classic back to life and back on the road. Parts,
paint and TLC is all she needs – but exactly in what ratio no-one
knows yet. More updates as soon as we can get our hands onto it! **Ed.**

*As can be noted from the photo, the van is a rare glass panel model
and has two new front wings on, still in primer.*
