The President Speaks

May is normally the month in which our committee is working frantically to finalise the last details of the Gibraltar International Classic Vehicle Rally. The Rally has become bigger than anyone expected and it has been decided to not hold one this year but begin planning next years. I feel sorry that we are not having the rally this year but I can say that plans are already underway for the 2006 Rally which will be held in May next year. We are planning a classic car gathering in Gibraltar on the 17th September and more information about this will be available when the details of the venue have been finalised. There is a possibility that we

may be able to take the cars to Morocco for a weekend at the beginning of October and I have already written to the President of the club in Tangier asking for assistance with the organisation and also inviting their members to join us. The costs are being worked out at the moment and we are looking to keep these as low as possible as the cost of the return trip on the ferry could be quite costly.

The UK Classic Motor Show is to be held over the weekend 4th – 6th November this year at the NEC Birmingham. This is the biggest and most popular event of its kind in the UK with over half a million square feet of exhibition space all under one roof with around 1,000 cars on display. If members would like

to attend this event please contact myself or any committee member so that we can look for cheap flights and put a package together with Hotel etc.

Our regular Sunday Meetings at (Safeways) Morrison's have been made complicated by the introduction of a barrier with restricted time parking and now the supermarket is up for sale the future looks uncertain. For some time now we have been looking for an alternative place to meet but it is very difficult to find a place with good parking where we can have coffee or breakfast. **I am pleased to say that we have now been able to make arrangements to meet at the café at Parson's Lodge Battery (entrance to Rosia Bay) every Sunday and we have been given permission to park our cars inside the old Victualling Yard on a temporary basis.**

The Café does a Sunday Roast for @ £6.50 which I can highly recommend. We would like to give this venue a try and see what everyone thinks about it.

(Excellent Home made scones available too. Ed.)

On the 28th May I will be leaving for America (without the Morgan) and will be touring Tennessee, Kentucky and adjoining States for Six Weeks. I will be back in Gibraltar on the 12th July.

I hope you all enjoy the summer!

See You Soon!

Stefan Nicholson

.....
The Club would like to thank Manuel Frendo for supplying us with a list of over 70 Gibraltar registration numbers and the cars that they belonged to.

VW Variant 1600L – Running Restoration

Congratulations to Mr Hemmi on getting his 1973 VW Variant 1600L back on the road, passing the MOT and looking better every day. Many of you must have seen it by now as the family use it quite often, almost everyday in fact. Many happy kilometres!
